Independent Auditor's Report To the Members
of
M/s. GLOBE STOCKS & SECURITIES LTD

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **M/S. GLOBE STOCKS & SECURITIES LTD** ("the Company"), which comprise the balance sheet as at March 31, 2020, and the Statement of Profit and Loss and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its loss and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's code of ethics.

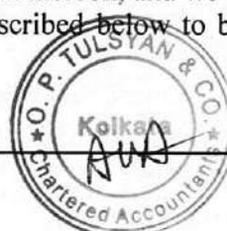

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of matter

We draw attention on **Note 22.11** to the financial results, which describe the uncertainties and the impact of the Covid-19 pandemic on the company's operation and results as assessed by the management. The actual results may be differing from such estimates depending on the future developments. Our opinion is not modified in respect of this matter.

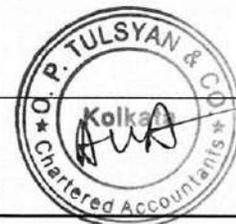

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Contd....

Sr. No.	Key Audit Matter
1	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers" (new revenue accounting standard).</p> <p>The application of the new revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p> <p>Refer to Notes to the Standalone Financial Statements</p>
Auditor's Response	
<p>Principal Audit Procedures</p> <ul style="list-style-type: none">• We assessed the Company's process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows :• Evaluated the design of internal controls relating to implementation of the new revenue accounting standard.• Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, re-performance and inspection of evidence in respect of operation of these controls.• Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard. <p>Selected a sample of continuing and new contracts and performed the following procedures:</p> <ul style="list-style-type: none">• Read, analysed and identified the distinct performance obligations in these contracts.• Compared these performance obligations with that identified and recorded by the Company.• Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.• Samples in respect of revenue recorded for time and material contracts were tested using a combination of approved time sheets including customer acceptances, subsequent invoicing and historical trend of collections and disputes.• Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts.	

- In respect of samples relating to fixed-price contracts, progress towards satisfaction of performance obligation used to compute recorded revenue was verified with actual and estimated efforts from the time recording and budgeting systems. We also tested the access and change management controls relating to these systems.
- Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts.
- Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.
- We reviewed the collation of information and the logic of the report generated from the budgeting system used to prepare the disclosure relating to the periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.

2 Key Audit Matter

Accuracy of revenues and onerous obligations in respect of fixed-price contracts involves critical estimates.

Estimated effort is a critical estimate to determine revenues and liability for onerous obligations. This estimate has a high inherent uncertainty as it requires consideration of progress of the contract, efforts incurred till date and efforts required to complete the remaining contract performance obligations.

Refer Notes to the Standalone Financial Statements.

Auditor's Response

Principal Audit Procedures

Our audit approach was a combination of test of internal controls and substantive procedures which included the following :

- ✦ Evaluated the design of internal controls relating to recording of efforts incurred and estimation of efforts required to complete the performance obligations.
- ✦ Tested the access and application controls pertaining to time recording, allocation and budgeting systems which prevents unauthorised changes to recording of efforts incurred.
- ✦ Selected a sample of contracts and through inspection of evidence of performance of these controls, tested the operating effectiveness of the internal controls relating to efforts incurred and estimated.
- ✦ Selected a sample of contracts and performed a retrospective review of efforts incurred with estimated efforts to identify significant variations and verify whether those variations have been considered in estimating the remaining efforts to complete the contract.
- ✦ Reviewed a sample of contracts with unbilled revenues to identify possible delays in achieving milestones, which require change in estimated efforts to complete the remaining performance obligations.
- ✦ Performed analytical procedures and test of details for reasonableness of incurred and estimated efforts.

3	Key Audit Matter
	Evaluation of uncertain tax positions The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes. Refer Notes to the Standalone Financial Statements
	Auditor's Response
	Principal Audit Procedures Obtained details of completed tax assessments and demands for the year ended March 31, 2020 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2018 to evaluate whether any change was required to management's position on these uncertainties.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

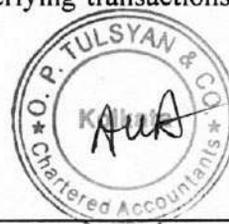

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Contd.....

//4//

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and quantitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014.;

GLOBE STOCKS & SECURITIES LTD

(CIN: L67120WB1994PLC065574)

Notes to Financial Statements as at and for the year ended March, 31, 2020

Notes No. 1: SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of Accounting

- a) The financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the Act.
- b) The Company follows the directives prescribed by the Reserve Bank of India for Non Banking Financial Companies.
- c) The financial statements have been prepared under the historical cost convention on an accrual basis. However, income is not recognized and also provision is made in respect of non-performing assets as per the guidelines for prudential norms prescribed by the Reserve Bank of India. Except otherwise mentioned, the accounting policies applied by the Company are consistent with those used in the previous year.

1.2 Use of Estimates

The preparation of financial statements in conformity with the generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the reported amounts of revenues and expense during the reported period. Although these estimates are based on the management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future period.

1.3 Revenue Recognition

- (a) Revenue from trading in securities / intraday transactions is accounted for on trade date basis.
- (b) Interest Income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.
- (c) Dividend income is recognized when the company's right to receive payment is established by the reporting date.
- (d) All other Incomes are accounted for on accrual basis.

1.4 Cash Flows Statement

Cash Flows are reported using the Indirect method whereas Profit/(Loss) before tax is adjusted for the effect of transaction of non cash nature and any deferrals of accounts of past or future cash receipts or payments. The cash flows are operating, investing and financing activities of the Company are segregated based on the available information.

1.5 Property, Plant & Equipment

Property, Plant & Equipment is stated at cost, less accumulated depreciation and impairment loss thereon, if any. Cost comprises of purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

GLOBE STOCKS & SECURITIES LTD

(CIN: L67120WB1994PLC065574)

Notes to Financial Statements as at and for the year ended March, 31, 2020 (Contd..)

1.6 Depreciation on Property, Plant & Equipment

Depreciation has been provided on the straight line method based on life assigned to each asset in accordance with Schedule II of the Companies Act, 2013.

1.7 Impairment of Property, Plant & Equipment

The carrying amounts of the assets are reviewed at each balance sheet date to ascertain if there is any indication of impairment based on external or internal factors. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount which is the greater of the assets, net selling price and value in use. An impairment loss is charged to the statement of profit and loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period, if any, is reversed if there has been a change in the estimate of the recoverable amount.

1.8 Current Assets & Liabilities

In the opinion of the Board, all the Assets including Non current Investments are at least approximately of the value stated in the accounts, if realized in the ordinary course of business, unless otherwise stated. The provision of all the known liabilities are adequate and are not in excess of the amount considered reasonably necessary by the management.

1.9 Investments

Non-Current investments, those are intended to be held for a period of more than a year are considered at 'cost' on individual investment basis, unless there is a decline in the value other than temporary, in which case adequate provision is made against the diminution in the value of such investments.

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments. Current investments are carried at lower of cost and market price determined category wise.

1.10 Inventory

Stock in trade of shares / debentures are valued at cost without recognizing temporary diminution in their values.

1.11 Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted Earnings per Share is calculated by adjustment of all the effects of dilutive potential equity shares from the net profit or loss for the period attributed to equity shareholders and the weighted average numbers of shares outstanding during the period.

GLOBE STOCKS & SECURITIES LTD

(CIN: L67120WB1994PLC065574)

Notes to Financial Statements as at and for the year ended March, 31, 2020 (Contd..)

1.12 Taxation

Tax expenses comprises of current tax (net of Minimum Alternate Tax credit entitlement) and deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the period under the provisions of the Income Tax Act 1961.

Deferred tax is recognized, subject to the consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversible in one or more subsequent periods. Deferred tax assets are recognized and carried forward only to the extent there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset item will be realized. If the company has carry forward unabsorbed depreciation and tax losses, deferred tax assets are recognized only to the extent there is virtual certainty supported by convincing evidence that sufficient taxable income will be available against which such deferred tax assets can be realized.

1.13 Retirement Benefits

- a) Employment benefits in the form of Provident Fund and Employee State Insurance are defined contribution plans and the Company's contribution, paid or payable during the reported period, are charged to the statement of profit and loss.
- b) Gratuity liability is a defined benefit plan and is provided for on the basis of actuarial valuation on projected units credit method at the Balance Sheet date.
- c) Long Term compensated leave are provided for based on actuarial valuation as per projected unit credit method at the Balance Sheet date.
- d) Actuarial gain / losses are charged to the statement of profit and loss and are not deferred.

However, there is no present obligation of PF, ESI, Gratuity and Leave Encashment arises during the year and therefore not charged to Profit & Loss Statement.

1.14 Provisions, Contingent Liabilities & Contingent Assets

A provision is recognized when the company has present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized but are disclosed in the notes to the financial statements. Contingent assets are neither recognized nor disclosed in the financial statements.

22.11 Uncertainties resulting from global pandemic COVID-19

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. COVID-19 is significantly impacting business operation of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lockdown of production facilities etc. On 24th March, 2020, the Government of India ordered a nationwide lockdown for 21 days which further got extended to prevent community spread of COVID-19 in India resulting in significant reduction in economic activities. Based on projection, future outlook and carrying value of Financial & Non financial assets, there is no adjustment is required in the books. However, the above evaluations are based on analysis carried out by the management and internal and external information available up to the date of approval of these financial statements, which are subject to uncertainties that COVID 19 outbreak, might pose on economic recovery. In the pedaling circumstances, the Company does not expect any Impact of Covid 19 on its ability to continue as a going concern.

22.12 Figures of the previous year has been re-grouped / re-arranged / re-casted / re-worked wherever necessary.

Note to Financial Statements No. 1 to 22 are attached to and forming part of the Balance Sheet as at March 31, 2020 and Statement of Profit Loss for the year ended on that date and have been signed for the purpose of identification.
